Peaches In January?

IT IS CLAIMED NEW WRAPPER WILL RETAIN TREE FRESHNESS

(Collier's National Weekly)

Choice apples, oranges and grapefruit will soon be coming to your table as fresh as if picked within the hour, though they may have been off the tree for weeks or months. The trick will be done by wrapping each fruit in a skin-tight jacket of Pliotin, chemically designed to preserve that particular species. For some items the film will be only one ten-thousandth of an inch thick. Yet tests show that such perishables as apples will keep perfectly for 18 months or more.

The new wrapping is not merely a merchandising job; it is based on the chemistry of decay, which

research has shown varies widely among hundreds of different products. Rubber chemists found that every variety requires a definite percentage of oxygen, carbon dioxide and water to keep it fresh, with no two species alike. By chemical modification or variation in film thickness, they were able to devise wrappings that would let in these balanced ratios of chemicals, no more and no less, thus providing individual "storage lockers" for each piece of fruit.

Fruit will be wrapped by machine with the right film the moment it is picked. Plans are under way for packaging meats, fish and fresh vegetables in the same way.

Raise Their Own Fees

COUNTY COUNCIL GENEROUS WITH OTHER PEOPLES DO-RIME

At the closing sessions of the Lincoln County Council, the special road committee under the chairmanship of Reeve C. W. Durham of North Grimsby was instructed by the council to take up the question of salaries and wages of truck drivers and other help on the county roads in regard to adjustments. The committee was also directed to report back to council as speedily as possible.

This action reflected the growing trend in county matters to raise salaries and wages of county employees to meet the rising cost

of living. By a unanimous vote, council approved a recommendation of the Finance Committee, presented by Reeve L. R. Lymburner of Calster, that rates of pay for attendance at council sessions be raised. The members of council will now be paid at the rate of \$5 per day for attendance at council and members of committees will also receive \$5 per day for attendance at committee meetings. The Finance Sub-Committee was also instructed by council to study the possibility of a division

That Wig-Wag Signal

BEAMSVILLE STATION CROSSING IS IN THE LIMELIGHT AGAIN

At the opening sessions of the Lincoln County Council last Tuesday, the council in accepting the report of the Road Committee presented by Reeve Charles W. Durham of North Grimsby moved to attempt to settle the question of the dangerous railway crossing in the Village of Beamsville.

The matter was discussed at a committee meeting this month when it was proposed to erect a wig-wag at the crossing, the cost to be borne by Lincoln County.

Beamsville, Clinton Township, the C.N.R. and the Board of Transport Commissioners.

Due to the fact that one municipality objected to the division of costs, an application was sent to the Board for cancellation of the request. The Board suggested by letter that the council defer the application until more information had been obtained from the C.N.R. This move was decided upon and the Road committee was requested to attempt a settlement with the municipalities involved regarding the cost of the project.

The Road committee was also empowered by council to deal with a communication from the Department of Highways regarding the payment of a lump sum for privately owned cars of road engineers. In a letter received yesterday

Took 34 Years To Win Gold Medal

BRIG. E. A. MACFARLANE

TORONTO, May 28—The gold medal, offered in 1912, by the late A. E. Todd, then president of the Victoria Automobile Club, to the first motorist to cross Canada from coast to coast without leaving the country has been finally claimed. The winner is Brig. R. Alex Macfarlane, D.S.O., of Toronto. Brig. Macfarlane drove from Louisbourg, N.S., to Victoria, B.C.—4,800 miles—in nine days, averaging approximately 500 miles per day. Over the newer sections of the Trans-Canada Highway between North Bay and Port William he averaged 711 miles per day.

NOTE:—Brig. Macfarlane is well known in Grimsby and district, being a son of the late Robert Macfarlane and Mrs. Macfarlane of Loch Sloy, Winona. He commanded the 58th Bn. overseas in World War I and a great number of Grimsby and Fruit Belt men served under him, including Col. W. W. Johnson and ex-Mayor Ed. S. Johnson.—Ed.

Legion Prexy Is Very Thankful

President George Marr of West Lincoln Branch, Canadian Legion, at Grimsby Area, on Friday evening last, previous to the distribution of prizes won by the athletes at the field day sports in addressing the public said:

"Before asking taylor Bull to present the prizes, I wish to express the appreciation of the West Lincoln Branch of the Canadian Legion, for the interest you have shown in our Sport Day."

"The Canadian legion are first concerned with the welfare of those who have served in the armed forces and their dependants. We are also interested in fostering the spirit of good citizenship, and wish to do our part in building a happy community. The yet mediums for building good citizenship are the Church and the sport and co-operation of the like this Sports Day an annual event that hope with your co-operation and young time our young men and women will be equipped with rifles and

Here is a beauty spot on Canada's greatest traffic artery that will surely catch the eye, and please, thousands of American tourists this coming summer. It is an aerial view of the famous highway

at Jordan Harbor, showing the deep contour of the lake, Jordan Pond and the fertile fruit lands of the Peninsula.—Cut courtesy St. Catharines Standard.

Big Larkin Farm Sells For \$220,000

Auburn A. Holman, B.S.A., has purchased an 864-acre farm, comprising 10,000 fruit trees, in the vicinity of Brock's Monument at Queenston Heights, from the Larkin estate. It is announced.

The property includes 380 acres of apples, five acres of sweet cherries and 13 acres of prunes. A large residence occupied by Frank Digweed, manager, 14 homes for employees and a cold storage plant are included among the buildings. The price was reported in excess of \$220,000.

Services Are Recognized

At the opening of the new Red Cross Headquarters in Hamilton on May 21st, Miss Margaret Temple, Dietitian for West Lincoln Memorial Hospital, was among those who received the Badge for Long Service. Hon. Leopold McAuley made the presentations.

William Hewson received a like award at the same function, both badges being given in recognition of services in connection with the local Blood Donors' Clinic, of which Mr. Hewson was chairman.

Grimsby Loses A Fine Citizen

After a period of illness extending over many months duration, the death occurred on Tuesday morning of John Alexander Jacklin, at the home of Mr. and Mrs. Merton W. Zimmerman, No. 3 Highway west, where he and Mrs. Jacklin were temporarily residing.

Mr. Jacklin, or "J. A.", as he was more familiarly known, was a very fine type of citizen. A man who made friends wherever he went and his enemies were nil. He was a man who believed in progress and was ever willing at all times to assist in every way the advancement not only of his adopted home of Grimsby, but the province and the Dominion.

Deceased gentleman was born in Hanover on September 7th, 1888 and was in his 58th year. When a young man he became connected with the International Harvester Co. and went to Western Canada and was located in Brandon, Man., where he was managing director

(Continued on page 2)

This Was A Truck

Andrew Shearer, of Beamsville, was killed instantly early Saturday morning when the 1-ton truck which he was driving north on a sideroad near Vineland was struck by a freight train and reduced to the pile of junk shown in this photograph. Both main lines of the C.N.R. were blocked by the wreckage for nearly two hours.

Weighs Half A Pound

NEW FRUIT CONTAINER WILL BE PLACED ON THE MARKET

Two years ago The Independent published a story about a new type of fruit basket that ex-Mayor Arthur Hewson of the A. Hewson and Son firm had developed and intended placing on the market. Since that time nothing has been heard of this new package until this week, when final authorization for its use by fruit growers was granted by the Fruit Branch of the Ontario Department of Agriculture. That authorization is as follows:

Toronto 2, May 27, 1946.
A. Hewson & Son,
Grimsby, Ontario.
Dear Sirs:

I have your letter of May 22nd requesting authorization for the

manufacture of a 6-quart basket with veneer bottom instead of the usual solid lumber bottom. The basket, sample of which you gave the writer recently, has been examined and seems to have considerable merit. This, therefore will be your authority to manufacture and use experimentally, in 1946, 500,000 of these baskets which, I understand, have exactly the same cubical capacity as the 6-quart now standardized. Our inspectors will see this package in the trade this summer and if the package proves satisfactory, consideration will be given to listing the package as one of the standard packages authorized under 'The Farm Products' (Continued on page 2)

Pity The Junk Man

IF HE WANTS TO DO BUSINESS HE MUST PURCHASE A LICENSE

The county council last week gave unqualified approval to the report of Reeve R. A. Saunders of Beamsville, chairman of the General Administration Committee, recommending that tear gas equipment be purchased for the county gaol.

Reeve S. H. Ecker of South Grimsby, chairman of the Legislation Committee, recommended in his report that a resolution of the County of Welland be endorsed and council approved. The resolution called on the Provincial legislature to amend the Election Act to provide for time off for rural voters, as well as urban, for voting in municipal elections.

Acting upon the recommendation of the Industrial Home Committee presented by Reeve George Wiley of Louth, council decided that applicants for admission to the

county home who have means be accepted provided that they pay board at the rate approved by the Board of Management for a period of six months in advance.

The council gave unanimous approval to a bylaw providing for licensing, regulating and governing junk shops, junk yards, second-hand shops and dealers in second-hand goods.

Application for licences to operate any of these must now be made in writing and the fee in future will be \$10.

In addition to this a six-foot board fence must be erected around junk yards at least twenty feet back from the road.

People who collect from door to door must take out a licence now with the exception of those doing so for patriotic or charitable purposes.

Sports Day Success

LARGE CROWD THRILLED BY FINE ATHLETIC COMPETITION

Maybe George Warner is right, perhaps Olympic champions will emerge from the Grimsby district, thanks to the West Lincoln Branch Canadian Legion No. 127, for the Sports Day held on the 24th of May, was certainly a great success, and some fine athletic feats were turned in by the large field of contestants.

The Legion could not have picked a better scheme than the program of sports, and the first rung on the ladder to success as a top athlete may be gained by young men and women through the efforts of the Legion and their annual sports day.

Oddly enough this idea of a sports day to be held on May the 24th, used to be a regular custom, but for some reason or other, the idea was dropped just after the first war, and who knows how many boys and girls, have missed a chance to bask in the limelight bestowed upon all name athletes, through the failure of a "day" to show themselves.

It is our contention that although annual track and field days are held by practically every high school, these events do not afford the athletes a proper channel to gain the publicity necessary to becoming a "name" athlete. And, although there was a good entry in this Sports Day, under well con-

trolled circumstances, many other young men and women could be brought to Grimsby for a real trial, and the winner of any event could be without a doubt crowned the champion of the Niagara Peninsula. It's a thought for digest, and one which the Legion has probably already considered.

Weather conditions close to the ideal point, helped tremendously, as the full program of events was run off in close succession, with stellar performances being turned in by the various officials, including Ian Murdoch, George Marr, Earl Marsh, Red and Percy Mason, Tom Warner and many others.

About the athletes themselves, and without injecting a bunch of flowery adjectives, they were a great bunch of sports, and although we cannot itemize each one particularly, they did put on a great display of athletic prowess, and are to be highly commended for their work.

Oddly enough, no single individual walked off with a great majority of the prizes, which incidentally were all donated by the business men of Grimsby. However, worthy of mention are at least two or three events. The first, being the record established by the William Robertson family of Robinson street. In the five mile marathon, (Continued on page 3)

Higher Education

CONSULTATIVE COMMITTEE TO STUDY NEW HIGH SCHOOL AREA

At the opening of the second day of sittings of the Lincoln County Council Wednesday morning, Reeve W. L. Patterson of Niagara-on-the-Lake presented the report of the Education Committee to Warden Robert M. Johnston and the assembled council members. The report, which was approved, recommended the setting up of a consultative committee to study the formation of Lincoln as a high school area.

The council and members of Boards of Education of the various municipalities in the county were addressed at the April sessions by an official of the Department of Education in Toronto, regarding the proposal.

Under the High Schools Act, the County Council was empowered to appoint members from the council to sit on the committee. In addition, an officer will be appointed (Continued on page 2)

They Used To Be Good

A lot of people recognized this pair of athletes. Then again there were a lot of people who knew them well in past years, that did not recognize them. They are, seated, David Fisher, and standing, William Schwab. In their day, which was back in the 90's, they were just about the best pair of 100 and 220 yard dash sprinters in Ontario. Many a battle they waged on the cinder paths and many a trophy they brought home to Grimsby.

FACTS & FANCIES

Frank Fairborn, Jr.

WHO WINS?

Workers who win a wage increase of 5 per cent after a strike of one week have to work 20 weeks at the new rate to make up their lost wages, those who win 10 per cent after three weeks have to work 30 weeks, and those who win 25 per cent after 15 weeks have to work one year.

A. B. C.'S OF A CHAMBER OF COMMERCE

Before Hitler let his hallucinations run away with his better judgement, if he had any, Grimsby had a Chamber of Commerce that was functioning fairly well. The war put a crimp in all activities except one or two war projects.

Since the cessation of hostilities no effort has been made by the last office holders of the Chamber, or by private members, to revive this very important body. It is something that should be done immediately if Grimsby is going to continue to remain in the forefront of the small towns of this country.

In connection with this matter I give to you the A. B. C.'s of an active Chamber of Commerce as laid down by The Canadian Chamber of Commerce, which is a federation of the Boards of Trade and Chamber of Commercials in every province of the Dominion.

A STANDS FOR ADVERTISING—Your community needs an alert organization to attract new citizens and new industries, and to make its advantages well known.

B STANDS FOR BUILDER—Building better business conditions based on individual enterprise calls for constant effort.

C STANDS FOR CIVIC PRIDE—Civic achievements, attained through organized effort, make your town a better place in which to live and to make a living.

D STANDS FOR DOER—Exhibitions, campaigns, civic improvements, community activities, developing new opportunities—whatever it is, organized business men find the tools and DO the job.

E STANDS FOR ECONOMIC DEVELOPMENT—The farmer, the merchant, the professional man, the employer, the employee—all must be prosperous if your community is to progress. Each must be interested in the welfare of all.

F STANDS FOR FIRE PREVENTION—Close co-operation with the Fire Department brings lower premium rates to the whole community through a good fire record and the absence of hazards.

G STANDS FOR GOODWILL—Its activities promote friendly relationships among business competitors, between the town and the farming community, between employer and employee and among competitive cities.

H STANDS FOR HEALTH AND SAFETY—Organized effort can promote hospital and health services as well as the development of traffic control and wise safety rules.

I STANDS FOR INDUSTRIES—Constant watch must be maintained to encourage the expansion of industries already established and to attract sound new ones.

J STANDS FOR JOBS—More jobs, improved working conditions and the promotion of better relations between employer and employee are among the aims of your organization.

K STANDS FOR KNOWLEDGE—Fact-finding surveys of your locality and its potential resources are important phases of its activities.

L STANDS FOR LOYALTY—Devoted to your community's welfare, it is a centre around which men can rally in pooling their energies for the common good.

M STANDS FOR MEMBERSHIP—Membership in this community organization where the diverse interests of the community are fused in common effort, is both a privilege and a duty.

N STANDS FOR NATIONAL HEAD-QUARTERS—50 Boards and Chambers unite in clearing-house for ideas and help in Commerce, local activities.

O STANDS FOR OPPORTUNITY—Your community must keep awake to the future and develop every opportunity to put men and money to work.

P STANDS FOR PUBLIC RELATIONS—Even the smallest town needs a constant ambassador of goodwill to the general public, the stranger within its gates and the world at large.

Q STANDS FOR QUESTIONS—Whatever your problem—opportunities, regulations, marketing methods, distribution difficulties—your organization has the answers or knows where to find them.

R STANDS FOR ROADS—Maintenance and extension of highways, good roads, traffic control and safety measures are encouraged.

S STANDS FOR SERVICE—It is geared to serve its members in every way possible and to advance the common purposes of its members.

T STANDS FOR TAXES—It works to see that full value is received for each tax dollar spent and that the town's finances are in a sound position.

U STANDS FOR UNDERSTANDING—The mingling on a common ground of men of all creeds and racial extractions brings about harmonious co-operation in the whole community.

V STANDS FOR VISITORS—Peacetime Tourism is "Big Business" and an energetic organization can bring new wealth to your community.

W STANDS FOR WAR WORK—War Savings, Salvage, Red Cross, Victory Loans, Blood Donors and every other kind of campaign are invariably directed and spear-headed by the business men of your organization.

X MARKS THE SPOT—Organized, consistent effort can do more than anything else to put your community "on the map" and to keep it there.

Y STANDS FOR YOUTH—It places proper emphasis on the training of the business leaders of tomorrow by promoting the development of better facilities for the education, health and recreation of young people.

Z STANDS FOR ZEAL—The zeal of community leaders, the greatest potential force for good in the Dominion, has developed Boards of Trade and Chambers of Commerce from A to Z.

THIS MILK SUBSIDY

The consumer understands the main point about the withdrawal of the government milk subsidy—he will have to pay two cents more per quart than he has been doing. But the surrounding facts and arguments on the milk situation have produced considerable confusion, mainly because few people realized there was a double system of subsidies in operation.

The subsidy being lifted June 1 is a consumer subsidy introduced in December, 1942, to keep the cost of living index down. In other words, the government has for almost four years been paying part of the consumers' cost of milk. From June on, the consumer will have to pay the full cost, involving a general two-cent increase.

In addition, the government has also been paying a producer subsidy of 35 cents per hundredweight during summer months and 55 cents per hundredweight during the winter. This enabled milk producers to make a small profit in the face of rising production costs, without increasing the cost to the consumer. However, figures for certain areas in Ontario show that under the smaller summer subsidy, there was actually a loss of fourteen cents per hundredweight on milk sold, while the larger winter subsidy enabled producers to make about a six cent profit.

The recent furor by milk producers was created because they wished a continuation of the higher winter subsidy through the summer months. In the new milk policy announced by the government, it has been decided to maintain the 55-cent winter subsidy through until September 30, at which time the Dominion government will stop making any subsidy payments, and control of milk production will revert to provincial milk boards. This will keep the price paid to farmers at their present levels, while the consumers will pay two cents more per quart as a result of the cessation of consumer subsidy payments.

Apparently there will be no adjustment

of consumer or producer prices by the provinces until after September 30, for the Dominion government is not willing to continue subsidies with the provinces in full control of prices. However, provincial milk boards will have the summer to study the entire milk picture and next fall will have complete authority to adjust prices as they see fit, increasing or lowering them in relation to the June 1 price.

Oh! Oh! Young porkers in a bag on the back of a truck.

"Big Kid" Rushton selling fireworks to the kids. Night in his glory.

Mike Sweet mowing the hay crop on the town lot next the bank.

Carvaker Fern mowing the half acre of lawn at the Municipal building.

Such doings. A Grimsby commercial fisherman going North on a fishing trip.

Those marvellous, aromatic lilac bushes in front of the Miss Annie Donahue home.

It was good to see Dennis K. Moore down town to attend a performance of "State Fair."

There is an industrious woodpecker in a big maple tree opposite Trinity United church.

Tomato plants, cabbage plants, flower plants, on display in front of Grimsby Fuel and Feed.

Greedy eyed motorists looking over the new 1946 American Buick Eight. A right smart job.

"Scotty" Ryan's Shell gas station all blossomed out in a new covering of red, cream and yellow paint.

H. T. Stewart, Bell Tel. manager, pacifying would-be customers and praying for more equipment.

Herbie Jarvis, Pettit and Whyte speed ball, talking insurance faster than George Geddes, and that's terrific.

I know a couple of meatless butchers that are also going fishless. Wrong bait, boys. Words are no good. Use worms.

Busy Bee Bert Chivers washing down his new hokette front with soap and water and polishing it with a chamomile.

Very pleased to see Mrs. James M. Metcalfe, North Grimsby's Young Lady, attending the Rony to see "State Fair."

A Halifax moving van parked at the curb in front of The Bowldway. That load of furniture cost something to move.

Grimsby High School Cadets all pigeons breasted over the fine showing they made on inspection. They have a right to be.

Art Vickers reports 2300 paid admissions to the Rony to see "State Fair," at six performances. That's sardining them in.

Biggest Best and Busiest Street in the Fruit Belt took an awful beating from shoppers on Thursday and a still bigger one from visitors on the holiday.

Rony Theatre all dressed up in a new paint coat. New lettering on the marquee. Now if Manager Vickers will just get himself a panama hat to go with his ever present fat cigar all will be well in "Little Hollywood."

This columnist is going to make application to the Department of Motor Vehicles, to see if some scheme cannot be worked out to stop trucks from running away, like horses used to do. Also to the Hatters Union to see if destruction of felt hats cannot be stopped, particularly by having them used as merry-go-rounds on a man's head. You figure this one out.

There are still horses in Grimsby. Ask Fire Chief LePage. Steve Hiblock's old grey mare took a notion to leave the farm, at the top of Anderson hill, the other afternoon and ran away down Main street, smashing the dray and wrecking the harness. She tore in around Alf's gas pumps and he thought sure she was going right through the east plate glass window of the Grimsby Radio store, but when she reached that point she suddenly halted and was led docilely away.

Just to keep the rumor-mongers record straight. That baby crying in the play-pen on the lawn of the House of Livingston, on the holiday afternoon, did not belong to Bones. It was a grand child of one of the most beautiful women that Grimsby ever produced, and she is still majestically beautiful. Kate Downer, (Mrs. Oscar Kryd, of Hespeler). She can still float down Main street and be the cynosure of all eyes, the same as she did in 1910 when Grimsby and the Fruit Belt sent her to Europe on the Herald Contest Trip. She was the Pride of Grimsby then and she is proud of Grimsby now.

IT'S THE COVERING THAT COUNTS

PROTECTED!

The glistening scales of the salmon are Nature's own protection—as it fights its way upstream past waterfall and rapid. That scaly protection is overall—complete.

For 40 years Brantford Roofing, too, has provided complete weather protection for countless Canadian homes . . . safeguarding them from rain, snow, wind, sleet, sun—and resisting fire! With Canada's vast home-building program now in full swing, Brantford Asphalt Shingles are proudly fulfilling their vital part in meeting the building needs of the nation. Beautifully efficient, smart and durable they are the unanimous choice of thousands—building new homes or re-roofing old ones.

Specify "Brantford" for your own roofing needs—large or small. Build with Brantford Roofing for lasting beauty and assured protection.

SPORTOLOGY

(By Bones Livingston, Sportologist)

THERE'S NOT MUCH THIS WEEK—Sporting activities are more or less in a lull this week, after the great field day that the LEO-GION boys staged on the holiday. That was a great effort and promises to grow into the biggest sports proposition in the district in the years to come. . . . Last night the PRINCE OF GEORGES held their annual banquet in The Oak Room of The Village Inn. It was a grand set-to and everybody had fun. . . . LEO-GION football team is on the warpath and from the way they trimmed up WINONA the other night 18-4, they might develop into an O.E.B.A. championship outfit. . . . BOB RUSH-TON announces that his juvenile basketball team will swing into action for the first time this year on Saturday afternoon of this week when they play the Hamilton Dodgers, last year's Ontario champions. RUSH-TON has a nifty bunch of kids in tow and while they may not be a smooth working machine at the present moment, they are showing plenty of oomph and will in a short time show the fans a lot of real classy ball. They will play exhibition games throughout the summer and enter the play-downs of the Ontario Juvenile Basketball Association in September. CALEDONIA for some years has had a snappy juvenile outfit and they are on the books to play the locals in the near future. . . . Quite a number of GRIMSBY lawn bowlers have joined the BEAVERVILLE BOWLING CLUB, including George Warner, Bill Schwab, Bobby Robertson, Brock Snyder, Herman Smith, and others. Two local rinks will play at Vineland tonight and in a tournament in Beamsville on Saturday.

SPORTS DAY

Doug, age 16, and Edward, age 14, finished third and fourth, and for boys that age we think this grueling event calls for a bit of recognition. In the five mile bike race, Ron Robertson, age 17, placed second.

Those present probably noticed a fellow around the grounds, gaily whipping about on a set of crutches. For pure stamina and intestinal fortitude, this W. F. "Soup" Campbell takes the cake. Prior to his enlisting, "Soup" was an outstanding 100 and 220 dash man. Serving with the Lincoln and Welland Reg't, he was in charge of sports in the regiment, and trained young men both in Canada and overseas. "Soup" got pretty badly banged up in France, and was invalided home to Niagara Falls. Undaunted, he has continued to train young athletes down in the Falls city, and has some up and coming sprinters under his thumb right now. In recognition of this achievement, a special award was presented to him, by J. Orion Livingston, on behalf of the Legion.

Fine performances were also turned in by Steven Hooper, who copped the 100 yard dash for Junior boys, also the running broad jump. The newly created Legion Challenge trophy was won by Thomas Unwin of St. Catharines, for a fine effort in the ten mile Marathon. This trophy presented by Mayor Bull, will be held by the winner until wrested from his hands by another marathoner come another year. Young Allan MacPherson of Grimsby came through the ten miler in fine shape, and was recognized for his effort with a special award presented by Earl Marsh, President of the Niagara Packers. Farrow Bros. donated a special prize to the winner of this long grind.

During the afternoon, the Beamsville Citizens Band under the direction of Pete Tallman, helped keep things moving. And at eight o'clock, the band piped the winning athletes to the arena, where the presentation ceremony was held. The grand and glorious 24th, was brought to a conclusion by a well attended old time and modern dance. The arena gaily decorated for the occasion provided an ideal spot for the jitterbugs and to those who prefer the "swing yer partner" style. Music was ably handed out by Bert Gillespie's orchestra, and by fiddlin' Ray Howie and the boys from Beamsville.

Before concluding with the list of prize winners, we here at The Independent congratulate the Legion and the hard working Chairman of the Sports Day, George Warner, and hope sincerely that this venture will grow with leaps and bounds, to find a place far beyond their furthest expectations.

The Dave Bells of Fort Credit were holiday weekenders with the Jerry Carsons.

Mr. Leslie Stewart spent the weekend at his home returning to Warton on Monday.

Archie Bied and family of Hamilton spent the holiday with Mrs. Charles Bied, Oak street.

H. H. Finch of Winnipeg was a visitor last week with J. K. and Mrs. Harstone, Murray street north.

Leslie J. Farrell of Trenton spent the weekend with his parents, Charles T. and Mrs. Farrell, Mountain street.

J. K. Harstone and children were in Peterboro last week attending the funeral of his uncle Mr. Robert Harstone.

Mr. and Mrs. Beckett, of Chatham were holiday visitors with Reeve Chas. W. and Mrs. Durham, Grimsby Beach.

Miss Violet Beffley, Depot St., left last week for Windsor where she will spend the summer as the guest of Mrs. F. Haasac.

Robert and Mrs. Fair and son of Hamilton were holiday weekenders with George and Mrs. Fair, Park Road, Grimsby Beach.

Mrs. Oscar Eryd of Hespeler and Mrs. Jack Blackford and children of Windsor, were holiday guests at The House of Livingston.

Edric Anderson, southwestern Ontario representative of the Spitzer and Mills Advertising Agency, Toronto, was an independent visitor on Tuesday.

Miss Annie Donahue, one of Grimsby's oldest and most respected citizens, has returned to her home on Main west after spending the winter in Toronto.

Mrs. Alec Stewart has returned to her home after her recent operation in West Lincoln Memorial Hospital. Her many friends wish her a speedy recovery.

Chester and Mrs. Gibson, old Grimsby residents, who have returned here to live, from Hamilton, are now settled in their new home on No. 8 Highway east.

Rev. W. J. and Mrs. Wallace, attached to the Sudan Mission, and now on their way to missionary work in Ethiopia, visited with Andrew and Mrs. Smith, Mountain street, last week.

Mr. and Mrs. Henry Game, Brantford, spent the weekend in Grimsby, the guest of Mr. Game's sister, Mrs. Wm. Whittaker, Elizabeth St. It is nearly 40 years since "Hank" left Grimsby.

Mr. and Mrs. G. W. Wade and Mrs. H. L. Roberts recently spent two weeks in Atlantic City.

Dr. and Mrs. Russell Beckett of Ottawa spent the holiday weekend with Mr. and Mrs. V. W. Thompson.

NAVY LEAGUE TAG DAY this Saturday, June First. All wishing to help, report at the Gas Office, Main Street at 9 a.m.

The four sons of Mr. and Mrs. R. M. Scrivener, Livingston Ave., were at home on Saturday to celebrate their father's 60th birthday anniversary.

Mrs. W. A. Jose and son have returned home to Niagara Falls after spending a month at the home of her parents Mr. and Mrs. R. J. Croft.

Mrs. Walter Farrow and little son Maurice from London, England, arrived in Halifax on Monday, May 27, aboard the Queen Mary, reaching Hamilton on Wednesday, where Mr. Farrow has bought a home at 41 Hess St. North. Mr. Farrow lived in Grimsby before the war and enlisted here, serving overseas for five years.

Mrs. Leslie Stewart entertained thirty girls on Monday evening at a kitchen Shower, at her home, in honour of Miss Helen McKinnell, Smithville, bride elect, whose wedding takes place to the Rev. Carol Zurburg, Listowel, on Wednesday, June 5th, in Kerr United Church. The gifts were presented on a prettily decorated tea wagon. Those assisting the hostess were Mrs. Ernest Nichols, Mrs. Harold Kelterborn, Mrs. Clifford McCartney and Miss Rita McCartney.

Colour bearers of the 50th and 57th L.O.D.E. Girl Guide Companies, of Grimsby, are shown above. From the left, they are: Jean Raymond, Patricia Harrison, Ann Terry, Leslie Harrison, Shirley Croft, of the 50th Company; Carol Baxter, Margaret MacMillan, Aileen Klowak, Ann-Marie Murdoch and Diane Kemp, of the 57th Company.

Mr. and Mrs. George Nellis and Mr. and Mrs. Murray Higgs are spending a week in Timagami.

Mr. and Mrs. George Marr and Mr. and Mrs. Earl Marsh are spending this week in Ottawa.

Mrs. Charles Wade of Kapuskasing is spending two weeks with her brother Mr. Bruce Geddes.

Archie and Mrs. Rolland and Miss Marion, of Beamsville attended the Investiture on Friday, at Queen's Park, Toronto, when their son, Capt. David E. Rolland, a former Grimsby Pouch Bud, was conferred with the M.B.E. medal for meritorious service in the crossing of the Moyne River in Italy.

Lieut. (N/S) Margaret A. Stewart, of Grimsby, on the staff of West Lincoln Memorial Hospital, was decorated with the Royal Red Cross, Class II Medal, at the Investiture in Toronto last week. She had the medal pinned on by His Excellency, Field Marshal Viscount Alexander, Governor-General of Canada.

Presentation

Mr. F. S. Woodcock of Winona who is leaving to spend the summer at Boshung Lake in Northern Ontario, at the summer cottage of his son Capt. F. J. Woodcock and family, was pleasantly surprised on Thursday evening when friends dropped in to wish him a pleasant holiday and with hopes to see him return with improved health.

As a token of appreciation for his faithful service in the community during the war period they presented him with a splendid fishing rod and reel with wishes for the best of luck and good sport. Friends from Grimsby made him a gift of a nylon line and lures.

Eastern Star

The members of Grimsby Chapter, No. 195, O.E.S., and their families gathered in Masonic Hall on Tuesday evening last for a pot-luck supper as a farewell to three of their number who are leaving to make their home in other parts of Ontario. These are Mrs. Marion Stuart, Mrs. C. J. Emm and Mrs. L. Foster.

Following the supper, the worthy Matron, Mrs. Letha McNinch, on behalf of the Chapter, expressed regret and presented each with a suitable gift. Mrs. Emm and Mrs. Foster being unable to attend, Mrs. Marion Stuart very graciously responded.

The company then adjourned to the local theatre where all enjoyed the picture, "State Fair."

Beaver Club

About forty members attended the supper meeting of the Beaver Club held in St. John's Church rooms on Monday evening.

The evening marked the finish of the shuffleboard tournament, when the losing team was responsible for the supper arrangements. A toast to the "Reds" was proposed by Mrs. D. C. Thomson, and Mrs. M. Gunning, Capt. of the "Reds," presented the Challenge Trophy to Sis. May Crittenden, Captain of the "Blacks."

Entertainment was provided by the winning team in the form of a playlet composed of songs, readings and dances. Those taking part were Mesdames H. G. Mogg, D. E. Anderson, A. Henderson, A. Stevenson, Elma MacCollum, G. Carson, R. Walters, R. Aldrick, D. C. Thomson, A. Smith, and Misses May Crittenden and Pat Dempster.

Nuptials

STUART-MARSHALL

Trinity United Church, Grimsby, was the scene of a pretty wedding on May 18, when Rev. W. J. Watt, united in marriage, Georgina Ruth, youngest daughter of Mrs. Marshall and the late George Marshall, of South Maitland, Nova Scotia, to Neale Harold, youngest son of Mr. and Mrs. S. J. Stuart, Grimsby.

Given in marriage by her brother, Mr. Curtis Marshall, the bride was gown in white net over rayon. Her finger-tip veil was held in place by orange blossoms, and she wore a pearl necklace, a gift of the groom. Her bouquet was of American Beauty roses with white sweet peas. Mrs. Ernest Stuart, Matron of Honour was gown in orchid sheer, with matching hat, and carried a bouquet of Tallman roses and mauve sweet peas. Mr. Ernest Stuart was best man.

The reception was held at the home of Mr. and Mrs. William Stuart, brother of the groom. The bride and groom left later for a short honeymoon to various points in Ontario. For going away the bride wore a light blue coat over a fuchsia color dress with matching accessories. The happy couple will reside in Grimsby.

Will Celebrate Golden Wedding

On Sunday next, June 2nd, James and Mrs. Konkle, lifelong, and highly respected residents of Clinton township, and Beamsville village, will celebrate their Golden Wedding anniversary.

They were united in the Holy Bonds of Matrimony just 50 years ago by the Rev. J. O'Neill, in Beamsville. To that union has come the blessing of one son and seven daughters, 15 grandchildren and one great-grandchild. Miss Rose Terryberry who attended the bride is still living, residing in California. Mr. Murray Terryberry who attended the groom, lived for many years in Niagara Falls, N.Y., but is now deceased.

Mr. and Mrs. Konkle will be at home to their friends on Sunday afternoon from two until five, 7.30 until 10 in the evening, at their home Ontario street, Beamsville.

A collectivist is also interested in the amount he can collect.

Navy League News

NAVY LEAGUE TAG DAY THIS Saturday, June 1st. All wishing to help, report at the Gas Office, Main Street, at 9 a.m.

Shipped to Headquarters, Toronto: 40 Pair Navy Blue Wool Socks and all wool on hand (summers balls of Wool) etc.

Ushers Assn.

On Wednesday evening, May 22nd, the Ushers Association of St. John's Presbyterian Church met in the church rooms at six o'clock. A delicious supper was provided by members of the Ladies Aid Society. After a short business meeting they adjourned to the Rexy Theatre where they saw the picture "State Fair", as the guests of Mr. Andrew Harstone.

A hearty vote of thanks was tendered both the members of the Ladies Aid and Mr. Harstone for their kindness and interest in the work of the association.

Rebekah Lodge

Alexina Rebekah Lodge held their regular meeting Tuesday evening, May 28th in the Masonic Hall. There was a large attendance of members, also visitors from Beamsville, St. Catharines and Hamilton who had come to honour the President of the Rebekah Assembly, Sis. Annie Courtenay of Toronto. Sis. Courtenay was introduced by Sis. Belle Wilson, P.N.G. of Alexina.

Sis. Mabel English, District Deputy President from St. Catharines, was introduced by Sis. Lillian Jewson, P.D.D.P. of Alexina and Sis. Rae Langille of Hamilton by Sis. Inez Cloughley. They were then escorted under an archway of flowers held by the guard of honour.

The Rebekah degree was conferred on several new candidates. Charges were given by Noble Grand, Bertha Hummel, Vice Grand Evelyn Dipper, Chaplain Mary Croft and Junior Past Noble Grand Belle Wilson.

The President impressed the members with the sincerity of Rebekah-Oddfellowship and she complimented the Degree Staff on the efficient manner in which the degree was exemplified, both in the rendering of the charges and the precision of drill. On behalf of Alexina and Oakleaf Lodges, Sis. Hummel presented a gift to the Assembly President. Members of the Beamsville Lodge presented flowers to Noble Grand Sis. Hummel and Vice Grand Evelyn Dipper.

At the close of the meeting a delightful lunch provided by Sis. U. Stewart and her Committee was enjoyed by everyone.

Smile: As painless as the garden furniture.

The honeymoon: over when she begins to remind us that his hair is growing down his neck.

In Memoriam

COATE—In loving remembrance of my dear dad and mother, Mr. and Mrs. George Coate who passed away in England, mother December, 1929; dad, May 28th, 1944.

Memories are precious things time never takes away. Memories of the things they did, the things they used to say. Oh what a different world we'd have if every one could be just a little more like Mother and Dad.

The ones God gave to me. Ever remembered by son Harry and grandchildren in Canada.

LUNT—In loving memory of Grace Lunt who passed away on June 3rd, 1943.

The rolling stream of life rolls on. But still the vacant chair recalls the love, the voice, the smile.

Of one who once sat there. Ever remembered by father, mother and sister Mabel.

SCOTT—In loving memory of our dear husband and father, John Scott, who passed away May 31, 1937.

He has taken his last long journey To God's beautiful garden called "rest." Away from this world of sorrow To a home of eternal rest. Words cannot say how we loved him.

Deep in our hearts there's a pain. God only knows how we miss him. As we wander along life's lane. But a voice seems gently calling. "Dear ones, be good and true. At the end of life's battles I'll be watching and waiting for you."

Always remembered by wife and family.

BOLTON—In fond memory of my dear husband, George Edward Bolton, who passed peacefully to his eternal rest May 20th, 1942.

"Gone from us but leaving memories."

Death can never take away; Memories that will always linger While upon this Earth we stay Somewhere back of the Sunset, Please God, just let him know That we down here do not forget. We love and miss him so. 'Tis sweet to know we'll meet again.

On that bright eternal shore, Where Christ will wipe away all tears— We'll meet to part no more.

Sadly missed by his wife Bertha, sisters and brother.

I.O.D.E.

The regular monthly meeting of Lincoln Loyalist Chapter, I.O.D.E., was held on Monday, May 27th, in the Chapter Rooms at the Village Inn, with the Regent, Mrs. E. A. Buckenham presiding.

After the reports were read and discussed a very fine paper on The Yukon was read by Mrs. Springer Mason. This article was written by Mrs. Black, M.P. for the Yukon.

The next regular meeting will be held at the home of Miss Olive Kitchen and will be in the form of a Garden Tea.

Miss Walsh also gave a splendid talk on Girl Guide activities during the week end.

Obituary

MISS A. M. McCOLLUM

The funeral of Miss Alice Mary McCollum, who resided at Loch Gloy, Winona, for the last several years, was held from the Stonehouse funeral home, Grimsby, Monday afternoon, to the Church of St. John the Baptist, Oak Ridge, Toronto, for service, and interment in the adjoining cemetery.

Miss McCollum, who passed away on Friday in her 86th year, was a daughter of the late Rev. James H. McCollum, and was born at Aurora. She is survived by two sisters, Mrs. A. C. Mackie and Mrs. M. Graham, both of Toronto.

MRS. WM. MACPHAIL

Mrs. William Matheson MacPhail, resident of Grimsby for the last two and one-half years, passed away on Sunday in her 60th year following a lingering illness.

She was born in Winnipeg and spent most of her life there. Surviving are two daughters, Mrs. Vincent Jackson, of Grimsby, and Mrs. Lawrence Delbridge, of Kingston. Remains rested at the Stonehouse funeral home and were taken to Winnipeg for funeral service and interment in Old Kildonan Cemetery.

MRS. HUGH NELSON

It was with very deep regret that the citizens of this district learned through these columns last Thursday of the demise in St. Peter's Infirmary, Hamilton, of Mrs. Hugh C. Nelson, for over half a century one of our finest and most beloved residents.

The deceased lady was born in Burghfield, England, Susan Brown Keep, 77 years ago, and came to Canada with other members of her family 51 years ago, settling in the Winona district. It was there that she met and married the late Hugh C. Nelson, who predeceased her in 1928.

Mrs. Nelson was a woman of broad mind, kindly disposition and despite the fact that she had been more or less of an invalid for a great many years, always had a pleasant smile, a loving word and a helping hand for all with whom she came in contact.

She left Grimsby a year ago to reside at St. Peter's and was very happy there up until Friday, May 17th, when she suffered a seizure from which she never recovered, going home to her Lord on Wednesday, May 22nd.

Surviving are one daughter, An. of New York city; two sons, Hugh M. of Dundas and Gerald of the Free Press-Herald staff, Midland one brother Nigel Keep, San Simoon, California.

Remains rested at the Stonehouse Funeral Home until Saturday afternoon when services were conducted by Rev. E. A. Brooks assisted by Rev. Raymond Andrews. Interment was in St. Andrew's graveyard.

Casket bearers were Gordon Carpenter, Allen Nelles, William Nelles, G. E. Heathcote, E. A. Swayne, Robert O. Smith.

Tomatoes Will Be Graded In 1947

No growers' subsidies will be paid on delivery of canning crops of 1946 and the processors' ceilings on canned beans, corn, peas and tomatoes will be increased to permit payment to growers of the same gross prices, including subsidy, as they received in 1945.

Because canners' subsidies paid during war years on the basis of dozens of cans of product sold are to be eliminated by a similar upward adjustment of ceilings, consumers will probably pay 1-3 cent more per can for canned beans, corn, peas, and tomatoes, says the Current Review on Agriculture Conditions in Canada.

In 1947 tomatoes will be sold for processing in Ontario under a system of compulsory grading, as payment will be made at graded prices. Both growers and processors favor this development, says the Review, but the provincial department of agriculture has not been able to organize the grading station and train the necessary staff in time for this year's canning season.

Graded sale in British Columbia has been the practice for several years. In both Ontario and British Columbia growers' boards negotiate terms of sale of the crop under provincial marketing legislation.

Oh, for the days when you could secure what you wanted without having to stand in line.

BEAMSVILLE NEWS

Deadly Level Crossing

ANDY SHEARER MEETS TRAGIC END LAST SATURDAY MORNING

The tragic accident which snuffed out the life of Andy Shearer at the level crossing, four miles east of Beamsville, last Saturday morning, shocked a host of friends and acquaintances in the Beamsville and Vineland district. As Vineland manager of Merritt's Flour and Feed Store, and as a resident of Beamsville for the past six years, Andy Shearer had accumulated innumerable friends, and his passing will be felt by the persons who enjoyed his easy-going manner and pleasing personality.

The accident occurred at approximately 7:30 Saturday morning, when the light delivery truck was crossing the main line of the C.N.R., a work train struck the truck and dragged it several yards down the tracks, before it could be brought to a stop. The engineer, estimated his speed at about fifty miles per hour.

The road which runs on an angle to the crossing has been the scene of other accidents, although according to residents in the immediate vicinity none have been fatal.

East and westbound tracks of the railway were blocked by debris

for nearly two hours, until a Beamsville service station truck removed the wreckage with the aid of section men.

Pieces of the vehicle and parts of the man's clothing, were strewn along the embankment, as was a considerable amount of corn and flour which was part of the truck's cargo.

Dr. L. J. Poirier, of St. Catharines, coroner, investigated at the scene in company with provincial constables Norman Pach, St. Catharines, and Edward Hope, Grimsby. Dr. W. E. Huriburt and Dr. H. D. Latham both responded to calls.

Apparently there were no eye witnesses of the accident, and Engineer L. Hardwick of 308 Locke Street, Hamilton stated that while the train was about two hundred yards from the crossing, he noticed the truck, and applied the brakes. It appeared that the vehicle was going to cross, but seconds later the train crashed into it with terrific force.

The late Andrew Shearer recently completed a new home on May Street in Beamsville, where he resided with his wife and three children who survive him.

Wedding Bells

WILCOX-BRADLEY

St. Paul Street United Church, St. Catharines, was the setting for an interesting wedding on May 24th, at 4 o'clock, when Evelyn Jeannette, daughter of Mr. and Mrs. C. K. Bradley, became the bride of Mr. Charles Franklin Wilcox, son of Mr. and Mrs. Robert O. Wilcox, Beamsville. Dr. C. Bishop performed the ceremony against an effective background of pink gladioli, tulips, white carnations and white lilies in high standards.

Mr. Lewis Jones was the organist and accompanied Mrs. N. F. Munroe, who sang during the signing of the register.

The bride, who was given away by her father, wore a portrait gown of white Swiss lace over satin, styled with sweetheart neck and bouffant skirt sweeping into a graceful train. A circlet of gardenias held her long veil and she carried a cascade bouquet of white sweet peas and orchids. Her attendants were Miss Mary Hawke, maid of honor, Miss Betty Wilcox, bridesmaid, who wore gowns fashioned alike of petal pink sheer, the full skirts slightly trained, and half brim hats of matching material, with Miss Camilla Seales, junior bridesmaid, who wore periwinkle sheer with matching gloves and hat. All three attendants carried sheaves of wine-colored snapdragons.

Mr. Douglas Shepherd was groomsmen and the ushers were Mr. Charles K. Bradley, Jr., Mr. Kenneth G. Hammill, Huntsville, Mr. Robert Shepherd, Toronto, and Mr. David Duncan, Beamsville.

Immediately after the ceremony Mr. and Mrs. Bradley held a reception at Chapter House where they were assisted in receiving their guests by Mr. and Mrs. Wilcox and the bridal party. Mrs. Bradley was smartly gowned in summer green crepe with small Milan hat trimmed with green and yellow flowers. Mink furs and a carriage of roses completed her costume. Mrs. Wilcox chose delphinium blue crepe, a black hat of Tuscan with satin trim and a carriage of roses and sweet peas. For their wedding trip through the eastern states the bride donned a suit of honeybeige wool, with black Milan hat, black purse, red shoes and an orchid corsage.

On their return Mr. and Mrs. Wilcox will reside in Beamsville.

EBORALL-PARKER

St. Alban's Church was the scene of a very pretty late afternoon wedding on Saturday last, when Marion E. daughter Mr. and Mrs. H. Parker became the bride of William F. Eborall, son of Mr. and Mrs. N. Eborall; the marriage being solemnized by the Rector, the Reverend E. F. Maunell. The nuptial was most effectively decorated with tulips and white lilacs.

The bride was gowned in white. Trained organza with satin bodice, light with lilies of the valley, imported Sweetheart roses and Sbs of the valley. The two bridesmaids Misses Eleanor Wilcox and Maids, Eborall, wore gowns of Margaret material and design as the same she wearing pink, the bride's, other blue.

In attendance on the groom was Steve Krukowski, of Reid, of The ushers were Harry Eborall, Beamsville, and James Toronto.

Bert Fille officiated at the organ; and Mrs. M. Thompson sang "O Perfect Love," during the signing of the register.

Lena Davis I.O.D.E. Activities

At the Empire Day program on May 23rd at Maple Grove School, Mrs. F. J. Thomson presented the award to William Coffman, 8th grade pupil, for his essay on "Why I am glad I live in Canada." This annual competition is open to the eight Public Schools of the district.

The annual church parade of the Lena Davis Chapter, and 6th Company Girl Guides, I.O.D.E., was held Sunday morning to First Baptist Church. Rev. F. G. Baldwin, R.A., B.D., expressed his keen pleasure in welcoming the Chapter members and Girl Guides to the service, and made feeling reference to the passing of Mrs. W. D. Fairbrother, a Charter and Life Member of the Lena Davis Chapter and at the time of her death its Honorary Regent.

Among those attending the service were Miss Margaret MacCall, of Toronto, division trainer, Capt. N. Cress and Lieut. C. M. Bonham, in command of 6th I.O.D.E. company Girl Guides. Those of the 6th Company Colour Party were: Standard Bearer, Jane Kennedy, Lily Tookwa, Guards, Susie Murcare, Mary Burton and Elizabeth Osborne. Chapter Standard Bearer, Mrs. E. Breese, and other members of the Chapter and Girl Guides.

The Scripture was read by Mrs. F. J. Thomson, regent of the Chapter.

Rev. Baldwin chose for his text "A shortage that bankrupts a nation." Special music was rendered by the choir with Mr. Bert Fille, organist and director.

The two-day Girl Guide Camp for the district was held last weekend at Grimsby Beach.

At the tea which followed the closing of camp on Sunday afternoon, the guests were Mrs. J. R. Kennedy, Mrs. J. V. Mailand, Mrs. D. Johnson, Mrs. S. T. Cress and Mrs. F. J. Thomson.

Members of the Lena Davis Chapter will attend the dedication of the Scout Building on Sunday, June 2nd, at 2:30 p.m., for the parade and at 2:00 p.m. for the service of dedication.

CANADA UNLIMITED — The Formative Years

The Empire Builders

FROM THE MOORS OF SCOTLAND, the rocky coasts of Ireland, from English cities and farms they came, their hearts filled with wonder and a great hope. With them, fleeing from the hardships and oppressions of the Old World, came the sturdy countrymen of Europe.

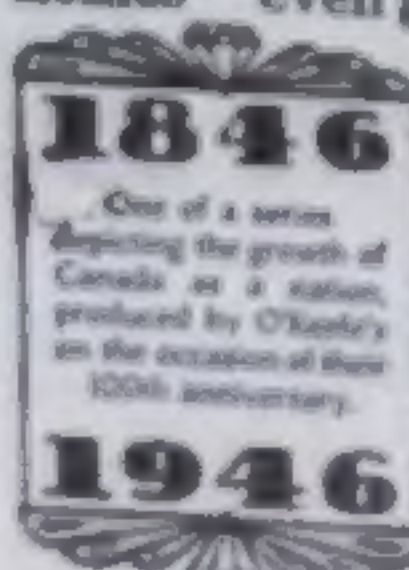

Canada! and the very name was magic. Canada, land of opportunity

. . . where a man's two strong hands could carve out security.

Up the mighty St. Lawrence to quaintly old-world Quebec—on through the rolling fields of Ontario—to the vast fertile miles of the Prairies—to the wooded slopes of the Rockies. And wherever they made their homes new strength was added to the bonds of blood kinship . . . new solidarity to the cause of Empire. Within a few short years they had become a part of the fabric of Canada, their unbounded faith in

the country of their choice justified, their dreams merged into the one dream that was to become a reality. The reality of Canada Unlimited—the Canada of today.

And the bright light of freedom and prosperity which they saw, shines today for all of us with an even greater brilliance, beckoning us to the Canada of Tomorrow . . . the Canada that will be more surely and swiftly ours if we give expression to our continuing faith by our purchase and holding of Victory Bonds.

Obituary

MRS. W. D. FAIRBROTHER
There was a charter member of the Lena Davis Chapter, I.O.D.E., and played a notable part in establishing this chapter on a sound footing. She was a well known figure at all provincial conventions for a number of years.

Deceased had been more or less confined to her home for several years. She was the eldest daughter of the late Mr. and Mrs. J. D. Bennett, the former a pioneer in the early business life of Beamsville. The late Mrs. Fairbrother leaves behind her a rich heritage of good deeds and ready sympathy in all matters in which the welfare of her native village was concerned.

She was a charter member of the Lena Davis Chapter, I.O.D.E., and played a notable part in establishing this chapter on a sound footing. She was a well known figure at all provincial conventions for a number of years.

Deceased had an abiding affection for her own town and for many years was a member of the public library board and a member of St. Albans church W.A.

In all her spheres of influence she was an affable and outstanding citizen who excelled in many good works and never wearied in performing them. Her passing is much to be regretted.

Surviving are her husband, two sons, Ned of Sudbury and Terrence of New York; a brother, James, of Hartford, Conn.; a sister, Mrs. Fred Smith, of Springfield, Mass.; four grandsons, Warren, Terry and Bill Fairbrother and James Cowan.

Funeral services were held from her late home on Monday afternoon, and were attended by a multitude of friends, who came to pay their last respects.

The service, conducted by Rev. E. F. Maunsell, of St. Albans, was brief, but poignant, and fitting to one who led such a good and helpful life in her native town. In attendance was a Guard of Honour from the Lena Davis Chapter of the I.O.D.E., of which she was a life long and Charter member, since its inception in 1931.

Flowers in great abundance, surrounded the casket, which was borne by Messrs S. J. Wilson; Col. William Andrews; E. B. Osborne; George Shepherd; Dr. C. J. Freeman; and W. C. Tufford.

From her late King Street residence, the funeral procession, preceded by Mount Osborne cemetery, where final rites were observed.

On The Greens

(by KITTY)

Thirty six members and guests opened up the 1946 lawn bowling season on the Beamsville greens Monday night, and although the weather was a bit keen, competition was also, and a very good night was put in by the lawn bowling enthusiasts.

Winners of the competition were:

Ladies—1st, Mrs. Leighton McGregor; 2nd, Mrs. Paul Foster; 3rd, Mrs. Frank Hurst.

Gents—1st, Brock Snyder; 2nd, R. Robertson; 3rd, Jack Knowles. A prize was awarded for the person obtaining the first kitty catcher. What this consists of, we really don't know, but will make it a point to find out in the near future.

The first tournament is scheduled for this Saturday, when a trebles tournament will take place. Entries from Glen Ridge Club and from Thorold, have been received, and more are expected from outside points.

The Club's famous old war horse was present, but A. N. Payne did not participate. He will get going when the weather warms up.

Beamsville Lawn Bowling Club Officers for 1946: Hon Pres., A. N. Payne; President, George Shepherd; Sec. Treas., Don Harvey; Vice-Pres., Artie Clark; Games Committee, Peter Foster, H. Tufford, A. Harvey; Greens Committee, W. Schwab, P. Foster, Brock Snyder; Membership, G. Warner, G. Honsberger, H. N. Reid.

News From BEAMSVILLE High School

Well, with Cadet inspection over for another year, students are getting back in the groove, and doing some school work for a change. Following the inspection, about twenty B.H.V.S. kids wandered up to Grimsby, and took in the dance there. Some gals even had G.H.S. escorts. Two in particular. One gal from fourth form is sporting a G.H.S. ring. Hang on to it, Fie!

The Grimsby gal with the yellow bike had better investigate the trip to the Beach by a Grimsby student, who was escorting our Moyer gal.

With the help of Les Brown and his band of Remora, who were at the Falls Arena for a one-nighter last week, Cret has finally managed to convince our Ajax rep that

five is here to stay. Dig me, Don boy.

A baker's dozen from the school crossed over to the United States to celebrate the 24th of May, which being a Canadian Holiday is a trifle hard to understand, but true. Our troupe to Freure's car hampered their efforts considerably. Also on the 24th, four gals from the school were brought back to Beamsville, by a group of Toronto boys, who for the gals' money, must have thought them to be extremely dull types.

Gord James the big brass hat in the Cadet Corps, had the misfortune to sprain his ankle rather severely last Wednesday. However, with the aid of a cane, Gordie is hobbling about. He also looked good on Remp's shoulders in the parade in Grimsby last Friday.

It has come to our attention that there exists around the school a few very daffy drivers. Here's hoping they get clamped down on before somebody gets hurt. A lot stronger appeal could be used in this respect, but perhaps if their stupid efforts continue, the proper authorities will do the job in their own fashion.

Briefs—Who got a crush on

"Kathy" in Grimsby last Friday? Wonder if Perk got to Crystal Beach last Saturday?

So our beloved French teacher is going to leave us this year. Hear she is going to travel extensively, which will be nice for Dunc, and we sincerely hope and wish for her a great time in California and other points, which she plans visiting.

Speaking for myself, and a lot of the kids, we're really going to miss Miss Duncan, and in the two years that she has been here, her efforts have been much appreciated in French classes.

Things are better. One doesn't have to roll a tooth paste tube as flat as formerly.

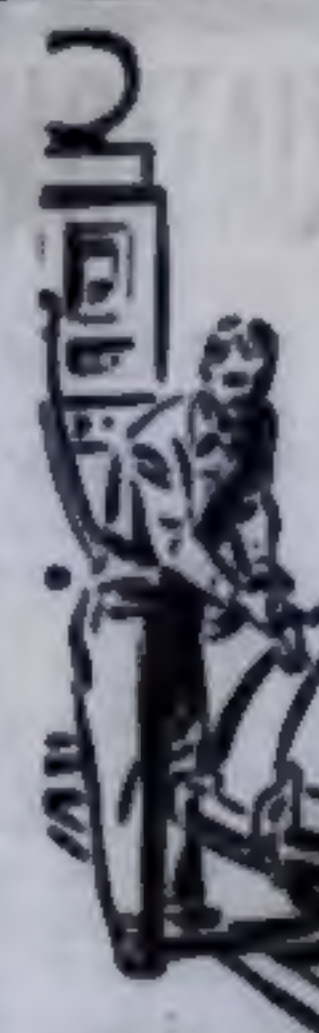

Lumber is scarce, but good political timber has always been at a premium.

About MILK PRICES

A Message To All Ontario Families

During the war years when it was vitally important to keep the cost of living index down, the Wartime Prices and Trade Board subsidized the price of milk in December, 1942. Through the consumer subsidy, milk was delivered by the dairies to you at two cents a quart less than you paid previous to that date. Everyone is grateful to the Prices Board for this arrangement, which over the past three and a half years, has proved so helpful in keeping available to you a plentiful supply of this most essential food.

The Wartime Prices and Trade Board has now decided, as part of its policy to relax many of the wartime controls, that it is advisable to discontinue payment of this consumer subsidy which is costing the taxpayers of Canada over \$20,000,000 a year. You are now being called upon to pay the two cents instead of the Government paying it out of your taxes. This means that on June 1st your quart of milk will revert to the old price in effect before the subsidy was established.

It is noteworthy that in the face of rising prices all along the line, milk will cost no more after June 1st than it did three and one-half years ago. In contrast, according to a recent statement made by Donald Gordon, Chairman, Wartime Prices and Trade Board, the comparable price in the United States is now equal to seven cents per Canadian quart higher than the Canadian price.

HIGHER EDUCATION

to the committee by the Department of Education and a public school inspector will also be a member.

W. L. Patterson, chairman of the Lincoln Education Committee, W. E. Heaslip, Reeve of Gainsboro and Cecil Secord, Reeve of Grantham were appointed by the council to the committee with Warden Johnston appointed as an ex-officio member.

Council also approved a recommendation in the report by Mr. Patterson to make a grant of \$100 to the Lincoln County Music Festival for 1946. At the opening of the session a bylaw was passed by council providing for the grant of \$300 to the War Amputations of Canada, Hamilton branch, as recommended by the Patriotic Committee. Council then adjourned to deal with finance committee business.

RAISE THEIR OWN

of the amount of remuneration of members of council and members of committees between fees and expenses and the amount of mileage paid to council and committees.

Approving the recommendation of the Agriculture Committee under the chairmanship of Deputy-Reeve J. D. Taylor of Louth, council appointed Mr. Norman Bilyard to the post of weed inspector for the county at a salary of \$180 a year plus expenses of \$120, subject to the approval of the Provincial Department of Agriculture. Mr. Bilyard was also instructed to attend the conference of weed inspectors at the expense of the county.

Acting on the only recommendation presented by Deputy-Reeve Harold S. Freure, chairman of the Charity and Welfare Committee, council requested the Maplehurst Hospital in Thorold to submit accounts monthly for the maintenance of county patients. Warden Robert M. Johnston of Port Dalhousie then adjourned the council until Tuesday, June 18.

THAT WIG-WAG

The Department recommended that council supply a county-owned car or pay mileage and added that the Department would subsidize either

REAL ESTATE

For the second time within a year the brick block on Main street west, known as the Stephens block and later as the Thomas block, has changed hands. Through the agency of C. J. DelaPlante, Theon Thomas has disposed of this property to Ralph E. Tomlin, of St. Catharines. Mr. Tomlin has also purchased the Thomas house and lot at 23 Elm street. Mr. and Mrs. Thomas will move to Brantford to reside, where he has purchased a photograph studio and Mr. and Mrs. Tomlin will move from St. Catharines to Grimsby.

Harry Cox, through the DelaPlante agency, has sold the house and lot at the corner of Livingston and Kidd avenues, to John Karolka.

of these two moves. The question is to be studied by Mr. Durham's committee.

Acting on the recommendation of the Patriotic Committee under the chairmanship of Deputy-Reeve A. J. Wilson of Merriton, the council confirmed a grant of \$300 to the War Amputations of Canada, Hamilton Branch.

A request for a grant to the War Memorial Fund of the L.O.D.E. was deferred for further consideration. Following a recommendation made in his opening address to the council by Warden Robert M. Johnston of Port Dalhousie, council decided to hold a cheque for \$600 presented to them by the Lincoln County Citizens' Committee until July 1st.

Speaking of the committee, Warden Johnston termed it, "one of the greatest assets we have today for veterans' affairs." The cheque was forwarded by the committee to reduce the county's contribution to the work of the committee to the same ratio as that of the City of St. Catharines since the city had reduced its financial support from the \$5,000 requested to \$4,400. Warden Johnston requested council to hold the cheque in the hope that the city and the Citizens' Committee would reach some agreement.

LEGION PREXY

hayanets, but equipped and trained to compete in Olympic sporting events.

"This Sports Day is nothing new for this community, but rather a revival of the custom of former years. We have placed on display a number of trophies won by teams and individuals in days gone by, which witness the interest in sporting events of former years."

"I wish to express appreciation to all who have assisted in making this day a success. The burden of the arrangements fell on the shoulders of George Warner and his committee. They deserve the thanks of the community for their efforts. Our branch of the Canadian Legion is particularly grateful to George Warner for his energy and effort."

"We have enjoyed the co-operation of Mayor Henry Bull and his council—The Dept. of Highways and Police Force—Mr. F. V. Smith and Don Aude of the High School—The Board of Education—The Lions Club—The Grimsby Independent and Hamilton Spectator—The Niagara Packers for the use of the Arena—The recently formed Ladies Auxiliary of which we are proud—Mr. Campbell of Niagara Falls who acted as official starter—The Merchants and Business Firms who donated the splendid display of prizes—and finally the contestants themselves."

"All gave their best, so one can do more. We congratulate alike those who won prizes and those who tried. This is our first attempt at anything of this nature and we hope to benefit from our experience and invite you all to compete again next year."

GRIMSBY LOSES

of his company's western activities. Later he was sent to Nairobi, South Africa, in charge of the firm's affairs in that country.

In 1906 he retired and for some time resided at Brockton, Ontario, coming to Grimsby and purchasing a fine home and fruit farm about 14 years ago.

In 1910 he was a Liberal and for some years was President of the Liberal Association. He was a member of the Anglican Church, Grimsby Lions Club, Union Lodge, A.F. & A.M. No. 7, Union Lodge, Degree Mason he was a member of the Grimsby Shrine, To-

ronto and the Scottish Rite of Hamilton.

Surviving are his widow the former Pearl Ewing, one daughter, Mrs. John Mackinnon, Sarah; three brothers, Marshall and Victor Jacklin of Hanover and A. W. Jacklin, of Oshawa; three sisters, Mrs. James Duffy, Oak Bank, Man., Mrs. E. Coffe, and Mrs. Hector Moors of Hanover.

Funeral services are being held this afternoon at St. Andrew's church at 2.30 p.m., with interment in St. Andrew's graveyard. Flowers are gratefully declined.

WEIGHS HALF

duets Grades and Sales Act. Yours very truly, (Sgd) Geo. Wilson, Director.

This new package is just a plain veneer six quart basket, the same as has been used in this district for years, the difference being in the bottom.

This new bottom is of veneer one-tenth of an inch thick, whereas the veneer used for the sides of the basket is one-sixteenth of an inch thick. In this new bottom, on each side are four wire staples, turned over. The bottom is placed in the basket making machine, the same as the old bottom was, and the basket is made in the same manner, except that the four staples that bind the bottom bands and side veneer of the basket together interlock with the bottom staples and make a solid package. The handles are also stapled, and more secure than the old handle as the staples in this case clinch, whereas the old type bottom just had the staples driven into them.

This new bottom also allows of nearly one-half inch of air space between the bottom and the rim of the basket. The package is just as tight and solid as the old package and nearly one-half pound lighter. The old basket weighed at least a pound and sometimes more, while this new basket only weighs a half a pound and does not vary in weight.

An idle mind is usually found with a busy tongue.
